**The Paint Tacoma Beautiful provides exterior painting only. The program is:**

- Free to eligible homeowners
- Dependent on volunteer labor. This means that:
  - Whether your house gets painted depends in part on the number of volunteers we have.
  - Homeowners with family or friends who can help paint are more likely to be accepted.
  - Many volunteers are reluctant to paint 2-story homes because of safety concerns. Homeowners with 2-story houses may apply, but please be aware that we may not be able to find volunteers who will paint your house.
- A multi-step application process that can take many months. See below.

**SIGNATURE & CERTIFICATIONS:**

I have read and understand the Eligibility Requirements and Selection Process on this application. My household meets the income guidelines. I am not planning to sell or rent my home within the next two years. Furthermore, my home is not in a foreclosure process at this time.

**I understand that:**

- The people who may work on my home are unpaid volunteers, and few are skilled in the building trades.
- Many two-story or taller houses are beyond the scope of our volunteers' abilities, and that homes needing extensive repair prior to painting will not be considered.
- Paint Tacoma-Pierce Beautiful and Associated Ministries make no guarantees, express or implied, about any of the material(s) used or work done by anyone on my house.

I hereby release Paint Tacoma-Pierce Beautiful and Associated Ministries, and all associated with them, including participating organizations forming paint crews and participating individuals on those crews, from all liability arising from negligence or any personal injury or property damage arising out of or relating to the work done.
