

NEEDS DRIVE FOR RAISING GIRLS

In lieu of the conference in March, which falls during Women's History Month, the Interfaith Women's Conference Committee and Associated Ministries are excited to promote a drive for Raising Girls at congregations and faith communities throughout Pierce County!

Raising Girls is a Pierce County non-profit that provides necessary hygiene products to girls in Western Washington, and partners with local organizations committed to serving our youth. Raising Girls' commitment is to eliminate humiliation, promote pride, and share love to thousands of girls in our community. They are committed to helping girls who have little or no access to necessary resources that they need.

Founder and CEO of Raising Girls, Sharon Chambers-Gordon, is grateful for the support of faith communities around Pierce County!
