Independent Auditor's Report

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Associated Ministries of Tacoma/Pierce County (a nonprofit organization) (the "Organization"), which comprise the statements of financial position as of September 30, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of September 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements were issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

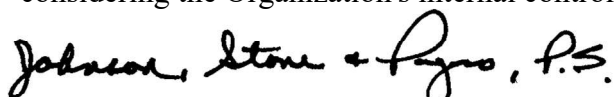

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards for the year ended September 30, 2022, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, and the accompanying schedule of expenditures of state financial assistance for the year ended September 30, 2022, are presented for purposes of additional analysis and are not a required

part of the financial statements. Such information is the responsibility of management, and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. In our opinion, information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 16, 2023 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

History of Organization

Associated Ministries of Tacoma/Pierce County (the "Organization") was incorporated in the state of Washington on July 22, 1969 as a non-profit organization. The Organization qualifies as a church-controlled organization under Section 3121(w)(3) of the Internal Revenue Code.

Nature of Operations

The Organization is an interfaith organization partnering with congregations, community organizations and government agencies. The Organization mobilizes people of faith and goodwill to engage in community transformation, while also providing direct services to households and individuals in need.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The Organization is required to report information regarding its financial position and activities according to two classes of net assets based on the absence or existence and nature of donor-imposed restrictions as follows:

Net Assets without Donor Restrictions

Net assets that are not subject to donor-imposed stipulations.

Net Assets with Donor Restrictions

Net assets subject to donor-imposed stipulations that can be fulfilled by actions of Associated Ministries of Tacoma/Pierce County pursuant to those stipulations or that expire by the passage of time and net assets subject to donor-imposed stipulations that are maintained in perpetuity by Associated Ministries of Tacoma/Pierce County. The Organization does not have any net assets that a donor has stipulated to be maintained in perpetuity.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all unrestricted, highly liquid investments with initial maturity of three months or less to be cash equivalents.

Fair Value Measurements

The Organization measures the fair value of assets and liabilities, and related disclosures, in accordance with a hierarchy based on defined inputs. The hierarchy prioritizes the inputs underlying fair value measurements and requires that valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs essentially distinguish the relative reliability of inputs to fair value measurements.

ASSOCIATED MINISTRIES OF TACOMA/PIERCE COUNTY

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued)

Level 1 inputs are more reliable and objective than Level 2 inputs, which are in turn more reliable and objective than Level 3 inputs. In arriving at a fair value measure, Associated Ministries of Tacoma/Pierce County is required to determine the level in the fair value hierarchy within which a fair value measurement ultimately falls and provide disclosure of such determinations.

Investments

The Organization carries investments in marketable securities with readily determinable fair values, and all investments in debt securities at their fair values in the accompanying statements of financial position. Realized and unrealized gains and losses are reflected in the change in net assets in the accompanying statements of activities.

Building and Equipment

Building and equipment are carried at cost or at fair value at the gift date. Gains and losses from disposition or sale of building and equipment are recognized in the year of disposition or sale. Minor additions, maintenance and repairs are charged to expense as incurred. Additions and improvements greater than \$5,000 are capitalized and depreciated over their estimated useful lives. Depreciation is calculated on the straight-line method over the following estimated useful lives:

	<u>Years</u>
Building	40
Improvements	20
Furniture and fixtures	7
Office equipment	5 to 7
Vehicles	5

Depreciation expense for the years ended September 30, 2022 and 2021 was \$33,155 and \$38,668, respectively.

Recognition of Donor-restricted Contributions

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restriction expires in the reporting period in which the revenue is recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions due to time or purpose or net assets with donor restrictions in perpetuity, depending on the nature of the restriction. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Deferred Revenue

The Organization received funds in advance for program services and will record the revenue when the resources to operate the program are expensed.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promise becomes unconditional.

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills and would otherwise be purchased by the Organization.

Functional Allocation of Expenses

The costs of providing the Organization's program and supporting services have been summarized on the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Income Taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization has no unrelated business activities.

The Organization's management evaluates tax positions taken by the Organization and recognizes a tax liability (or asset) if the Organization has taken an uncertain position that, more likely than not, would be sustained upon examination by the Internal Revenue Service.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make use of estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

New Accounting Pronouncement

In February 2016, the Financial Accounting Standards Board issued Accounting Standards Update ("ASU") 2016-02, *Leases* (Topic 842). The purpose of the new standard is to increase the transparency and comparability in financial reporting by requiring lessees to report an asset and a corresponding liability on the statement of financial position for most leases. Lessor accounting for leases was substantially unchanged. The ASU's requirements are broadly applicable and will be effective for years beginning after December 15, 2021 and will require a modified retrospective application approach for existing leases whereby the effects of implementing the new standard will be applied to the earliest period presented. Management is currently evaluating how the new requirements will affect the Organization's financial statements.

Subsequent Events

The management of the Organization evaluated for subsequent events and transactions for potential recognition and disclosure through February 16, 2023, the date the financial statements were available to be issued.

NOTE 2 - DESCRIPTION OF PROGRAM AND SUPPORTING SERVICES

Program and supporting services included in the accompanying financial statements are:

Coordinated Entry System ("CES")

CES is Pierce County's homeless crisis response system, managed by the Organization in partnership with other Pierce County non-profits. It offers multiple points of entry for Pierce County households experiencing homelessness to become prioritized to receive housing services.

Family Permanent Housing

Family Permanent Housing works to rapidly re-house individuals and families experiencing homelessness. The Organization uses strengths-based case management and provides rental assistance using a progressive engagement model in order to support clients to achieve stability. Referrals to participate must come through the Coordinated Entry System.

Landlord Liaison Project

Landlord Liaison Project is a program committed to increasing access to affordable housing for the Pierce County Coordinated Entry System and Rapid Rehousing programs throughout the county by connecting housing-ready renters with housing opportunities provided by property owners and managers offering alternative screening options.

This became a separate rental assistance program in this fiscal year while CRCC also continued to assist families with basic needs for sustaining housing or employment.

NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS

Year Ended September 30, 2022

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedules of expenditures of federal and state awards (the "Schedule") include the federal and state grant activity of Associated Ministries of Tacoma/Pierce County under programs of the federal and state government for the year ended September 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of Associated Ministries of Tacoma/Pierce County, it is not intended to, and does not, present the financial position, changes in net assets or cash flows of Associated Ministries of Tacoma/Pierce County.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- 1) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- 2) Pass-through entity identifying numbers are presented where available.
- 3) Associated Ministries of Tacoma/Pierce County has elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance on programs that did not approve the use of the approved indirect costs rate.

Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed
in Accordance with *Government Auditing Standards*

Board of Directors
Associated Ministries of Tacoma/Pierce County
Tacoma, Washington

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Associated Ministries of Tacoma/Pierce County (a nonprofit organization) (the "Organization"), which comprise the statements of financial position as of September 30, 2022 and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 16, 2023 .

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Associated Ministries of Tacoma/Pierce County's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Associated Ministries of Tacoma/Pierce County's internal control. Accordingly, we do not express an opinion on the effectiveness of Associated Ministries of Tacoma/Pierce County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

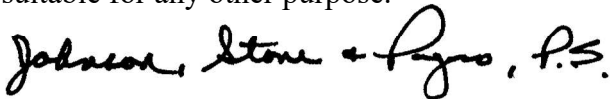

Board of Directors
Associated Ministries of Tacoma/Pierce County

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Associated Ministries of Tacoma/Pierce County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major
Program and on Internal Control over Compliance
Required by the Uniform Guidance

Board of Directors
Associated Ministries of Tacoma/Pierce County
Tacoma, Washington

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Associated Ministries of Tacoma/Pierce County's (a nonprofit organization) (the "Organization") compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Associated Ministries of Tacoma/Pierce County's major federal programs for the year ended September 30, 2022. Associated Ministries of Tacoma/Pierce County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Associated Ministries of Tacoma/Pierce County's complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States ("*Government Auditing Standards*"); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Associated Ministries of Tacoma/Pierce County's and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Associated Ministries of Tacoma/Pierce County's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Associated Ministries of Tacoma/Pierce County's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Associated Ministries of Tacoma/Pierce County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Associated Ministries of Tacoma/Pierce County's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with U.S. GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Associated Ministries of Tacoma/Pierce County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Associated Ministries of Tacoma/Pierce County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Associated Ministries of Tacoma/Pierce County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and

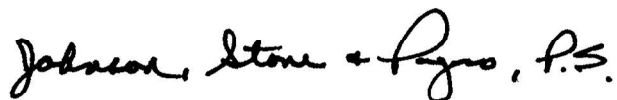

Board of Directors

corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
